Winemakers Notes: Catherine Marshall

The classic blend of Merlot, Cabernet Franc and Cabernet Sauvignon, all matured for 18 months in new and 2nd fill small French oak barrels, is Beau Joubert's flagship selection. Black currant and red cherries infuse elegantly with plum, mint and fruitcake flavours. Lingering on the back palate are subtle mint, leather and smoky, pencil shaving flavours. The stern oak maturation lends firm, yet smooth tannins and excellent structure to this wine. The intense fruit, grippy tannins and balanced acidity make this extremely complex wine wonderfully accessible now but also allows for 10 years of cellaring.

Pairings

This premium wine will compliment most meat and red sauce pasta dishes but will also prove glorious on its own... dark chocolate with a high cocoa content is a must!
